## AMENDMENT AFTER FINAL

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Assistant Commissioner:

In response to the Interview of September 9, 2002, please amend the claims as follows:

1. (Once Amended) A presentation of textual material having text corresponding to the dialogue of a plurality of characters and narrative, wherein the text for the dialogue of a first character is presented in a first indicia throughout substantially all the presentation, and wherein the text for the dialogue of a second character is presented in a second indicia throughout substantially all the presentation, the first and second indicia being different and the first indicia being unique to the dialogue of the first character.

16. (Once Amended) A method of presenting reading material containing text corresponding to the dialogue of a plurality of characters, comprising the steps of:

writing text corresponding to a first character in a first reading level and presenting that text in a first indicia for the entire text corresponding to the first character, the first indicia being unique to the text corresponding to the first character; and
